**Supreme Gainers 2.0 GoldNutrition®** is a hypercaloric formula that now adds creatine monohydrate to a new matrix of carbohydrates and proteins of high biological value, for complete recovery and increase in muscle mass.

The proteins contained in **Supreme Gainers 2.0 GoldNutrition®** are obtained from milk and have a high concentration of BCAAs. This formula combines fast-absorbing proteins (whey) and slow absorption (caseins) allowing for effective protein synthesis at the muscular level.
