

HU Pro-Kollagén Multi-Peptid Szérum a feszebb és rugalmasabb bőrt. A könnyed, tejszerű emulzió néhány peptidtechnológiát tartalmaz, amik serkentik a kollagén & egyéb extracelluláris elemek termelődését a bőrben. Minden bőrtípusra.

Használat: Vigyél fel néhány cseppet az arcodra arctisztítás után, krémek előtt. Reggel és/vagy este is használható.

DE Pro-Kollagen Multi-Peptid Serum, das zur Straffung der Haut beiträgt und ihr neue Spannkraft verleiht. Milchige Formel mit einer wirkungsvollen Mischung aus Peptiden, die die Produktion von Kollagen und Elementen der extrazellulären Matrix anregen. Ideal für alle Hauttypen.

Anwendung: Nach der Reinigung und vor der Verwendung von Cremes einige Tropfen auftragen. Kann entweder morgens und/oder abends aufgetragen werden.

Vertrieben durch: PURISH GmbH, 10557 Berlin

RO Ser Pro-Colagen Multi-Peptide pentru tonifierea și redarea fermității tenului. Textură ușoară și o combinație puternică de peptide pentru stimularea colagenului și matricei extracelulare, ideală pentru toate tipurile de piele. Nu conține: parfum, coloranți, ingrediente de origine animală.

Utilizare: aplică câteva picături pe tenul curat, înainte de crema hidratantă. Poate fi folosit dimineața și/sau seara.

Distribuitor: SC Pharmakom 2000 SRL Str. Moica Domnului 41 Bucuresti contact@phk.ro

EN Pro-Collagen Multi-Peptide Serum to firm the skin and give its bounce back. A gorgeous textured, milky formula with a powerful blend of collagen & extracellular matrix boosting peptides, ideal for all skin types. **Directions:** Apply a few drops to the face after cleansing, before using creams. Can be used either in the AM and/or PM.
