RARE EARTH PORE TIGHTENER

With Micronized Amazonian White Clay, LHA & Beta Glucan

Daily Finishing Treatment for Tighter Looking Pores & Smoother Skin

This daily finishing treatment smoothes the appearance of uneven texture and visible pores while providing all day protection against dirt and debris. Formulated with Micronized Amazonian White Clay and LHA, our treatment absorbs excess oil helping to tighten the appearance of pores while gently refining skin texture. With Beta Glucan, our formula helps hydrate and soothe skin. Suitable for all skin types, including sensitive.
