Beauty Formulas Active Oral Care Kids Fresh & Fruity fluoride toothpaste has been specially formulated for children to help keep teeth strong and gums healthy. Sugar free. Gently cleans, protects and cares for young teeth. With the benefit of fluoride to help prevent cavities and decay and a great strawberry taste to make cleaning teeth fun and encourage regular brushing.

Directions: Twist off cap and remove foil seal, replace the cap. Children of 6 years and younger: use a pea-sized amount applied to the brush for supervised brushing to minimise swallowing. Brush for at least 2 minutes at least twice per day or as directed by a dentist.

Cautions: Do not swallow. Supervise children of 6 years and under to minimise swallowing. In case of intake of fluoride from other sources consult a dentist or doctor.
