EN SUNLIGHT MAT DRY TOUCH FLUID SPF50+

It delivers very high sun protection for combination or oily sensitive skin. It contains a synergistic combination of last-generation broad-spectrum **Solar Filters** against **UVA** and **UVB** radiation. It prevents hyperpigmentation, premature photoaging, and sunburn. It has an anti-shine effect and protects the skin against pollution. Non-sticky, non-greasy texture, without fragrance. It leaves no white marks. Water-resistant. **Usage:** Apply on the face, neck, and neckline before sun exposure and re-apply frequently. Avoid eye contact, in case of contact rinse thoroughly.

FR SUNLIGHT MAT TOUCHER SEC FLUIDE SPF50+

Offre une très haute protection solaire pour les peaux sensibles mixtes ou grasses. C'est une combinaison synergique de **Des Écrans Solaires** de dernière génération à large spectre contre les rayons **UVA** et **UVB**. Elle prévient l'hyperpigmentation, le photovieilissement prématuré et les coups de soleil. Avec un effet anti-brillance la creme protège la peau contre la pollution. Une texture non collante et non grasse, sans parfum, qui ne laisse aucune trace blanche. Résistant à l'eau. **Utilisation:** Appliquer sur le visage, le cou et le décolleté avant l'exposition au soleil et renouveler fréquemment l'application. Eviter le contact avec les yeux, en cas de contact rincer abondamment.
